

ENVIRONMENTAL POLICY

CONTROLLED COPY

SAMAIDEN aims to Design, supply, installation and commissioning of renewable energy solution. In order to be an environmentally conscious company by operating in an environmentally responsible manner, we are committed to:

- i. Protect the environment, including prevention of pollution and other specific commitment(s) relevant to the context of SAMAIDEN
- ii. Continual improvement of the Environmental Management System to enhance our environmental performance.
- iii. Fulfill our compliance obligations.
- iv. Promote and communicate the Environmental Policy to all employees including persons working on-behalf and ensure it is available to the public.
- v. Establishing environmental objectives and programs based on the evaluation on environmental aspects of our business activities, products and services.

SAMAIDEN will ensure management objectives are established at all levels and functions as we serve the industry, our clients and the community.
